

REQUEST FOR PRESS CREDENTIALS

We are pleased that you are interested in **The Berkshire Mountain Music Festival**. We have press credentials available to editorial staff writers employed by a trade publication, mainstream media outlet (newspaper, radio, television, etc.), or online magazines. Free-lance writers or contributing editors may request press credentials by having the managing editor of a magazine/newspaper write us, stating that said individual will be covering the event on behalf of that particular media outlet. In order to receive press credentials, you must pre-register by filling out the attached Berkfest Request for Press Credentials form. Our press credentials will give you access to all public festival grounds and stages. You will also have access to the general backstage area and green room. Our Request for Press Credentials form asks you to select the date(s) that you would like to attend.

Regional / local press may request a **maximum of one (1) credential**. National or international publications may request a **maximum of two (2) credentials**. All credentials will be mailed in advance. Should you require additional passes, please contact us.

The number of press credentials available is limited and applications will be reviewed on a first come basis. To receive consideration, please return your application no later than July 21, 2003.
